

# Silverthread Outdoor Recreation Club

## General meeting minutes

### February 17, 2009

The meeting was called to order by President Bill Longfellow at 7:05 pm after a pot luck dinner. Bill welcomed everyone, 37 members present. We welcome new members Ron and Carla Ross. Bill asked if everyone had a chance to read the January club meeting minutes. As there were no additions or corrections, motion was made and seconded to accept the minutes. Motion carried. Kim Krahn has generously and graciously volunteered to be our Membership Coordinator. Lloyd presented the financial report for January. We have \$5,953 in the checking account. We have only two more groomer payments to make, one in the spring of this year, and one more payment in the spring of 2010.

George reported that as of the end of January, we have earned \$5800.00 for grooming. Our allotment is 67 more hours, perhaps 3 more trips on Pool Table and 4 more on Blowout. Night grooming will likely be required as days are getting quite warm. Pray for cold weather and snow. Joe gave the snowmobile report. There was a ride to Wheeler with 17 machines. The group has also been to Tucker Ponds and Cross Creek. There are no more planned rides at this point. Again, pray for snow.

Harolena reported that the snowshoe group shoed along Alder to the guard station. Meet at the Visitorâ€™s Center at 9:00 on Mondays. Bring a snack, water and a friend.

Dwayne reported there have been fishing trips to Regan and Beaver, and there was something about 3 machines turning over..... no one hurt. The next trip will be to Centero Reservoir where fish the size of small cars have been reported.

Barbara reminds everyone that Silverthreader clothing is available and she has plenty of order forms.

Our Annual Jay Becker Memorial Sled Race will be held 2/21/09 and Joe invites all members to this really fun activity. A good time is always had by all. Meet at the Visitorâ€™s center at 9:00 Saturday. Bring your own drinks and something to go with chili dogs. Bill will see about providing a report of this activity in the Snow Scoop.

Dick Shaw advises everyone of the upcoming Rio Grande County Public Health initiative on February 23-27 where you can get free health risk assessments. Call for a reservation at Pro-Build (873-5482.) You can get a cholesterol and blood sugar screening after a 12-hour fast. Next month there will be no pot luck at next month's meeting. Bill hopes everyone will attend the Kiwanis Chili Supper at the community center at 5:00 and then come to the library at 7:00 for the club meeting.

In Chuckâ€™s stead, Connie presented to cherished FFOF award to Ken Krahn after he was observed running his snowmobile all the way into the bed of his truck... rather than only as far as his trailer! Way to go, Ken!

The 50/50 drawing was won by Philip and Sally who donated their halfback to the club.

Meeting adjourned at 7:20 pm.

Respectfully submitted,

*Sally Towns*
