A big thank you to Joe & Joyce for organizing and pulling off a Great Day!

**New Business:** George discussed the proposition by the Board to form 2 separate clubs. When we raised the club membership to \$45.00 because everyone was expected to pay CSA dues, we lost membership. George stated that all club members would be included in all Social Activities of both clubs. We will have the same officers for both clubs, same meeting dates and governing rules.

The snowmobile club will provide the income for expenses and be the governing club.

Motion made and seconded to try for a year, and then discuss the results.  
Motion passed.

George reported that the Kiwanis had requested the use of the Community Building for March 15<sup>th</sup> for their annual Chili Supper. The Board agreed and the club meeting will be held at the South Fork Library at 7:00 pm.

Dick Shaw, Safety Director, reported that Radon is the #2 cause of lung cancer. The Rio Grande County has made testing of our homes available for no charge. Call 719-588-4063, talk to Diane Koshak to get a test kit.

Dennis reported that the 50/50 Drawing was first suggested as a money maker for the club, since we are getting good money for snow grooming, it was suggested that the winner of the drawing keep the money and not donate it back to the club. Motion made and seconded for the winner to keep the money. Motion passed.

Barbara Thiesfeld winner of 50/50 drawing.

Motion made and seconded to adjourn meeting. Motion passed.

Meeting adjourned at 7:45 pm.
